

RC1222

12V Cordless Angle Grinder

- Reversible blade rotation for the ultimate cutting control
- Brushless motor delivers maximum power and long motor life
- Provides optimized performance and overload protection
- Tool-free guard adjustment for convenience and ease of use
- LED light for improved visibility in confined spaces and low-light situations

TECHNICAL SPECIFICATIONS

Voltage	12V
Speed	20,000 RPM
Disc Size	76 mm
Arbor Size	10 mm
Max. Cutting Depth	16.3 mm
Weight (w/o battery)	0.9 kg

TECHNOLOGIES

Our Patented all-in-one motor integrates multiple components into a single unit, reducing size and complexity while improving efficiency and reliability

DC motors have traditionally been driven by carbon brushes to power the motor. Over time these wear out and need replacing. All our motors are brushless meaning that the motor is controlled electronically without the need for carbon brushes ensuring your tool is maintenance-free.

TOOL FEATURES

Experience rapid cutting speeds with this power tool's high revolutions, ensuring swift and precise cuts for smoother and more efficient work.

Illuminate your workspace with the built-in LED light on this power tool, ensuring visibility in low-light conditions for enhanced work safety.

Experience effortless manoeuvrability and reduced fatigue with this lightweight design, ideal for extended use on various projects.
