

RZ1282

12V Compact Leaf Blower

- 8-speed settings & variable speed trigger increase control
- Axial fan for the best combination of power & run-time
- Rubber circular nozzle removes debris in hard-to-reach places
- Wide wedge sweeping nozzle efficiently clears debris in open spaces
- Lock-on switch reduces user fatigue

TECHNICAL SPECIFICATIONS

Voltage	12V
Air Flow Capacity	47 - 150 CFM
Air Flow Speed	25 - 80 MPH
Weight (w/o battery)	1.23 kg

TECHNOLOGIES

Our Patented all-in-one motor integrates multiple components into a single unit, reducing size and complexity while improving efficiency and reliability

DC motors have traditionally been driven by carbon brushes to power the motor. Over time these wear out and need replacing. All our motors are brushless meaning that the motor is controlled electronically without the need for carbon brushes ensuring your tool is maintenance-free.

TOOL FEATURES

Experience effortless manoeuvrability and reduced fatigue with this lightweight design, ideal for extended use on various projects.

Tailor the speed settings of this power tool to suit your needs, guaranteeing efficient performance for any task at hand.

The compact design philosophy to prioritise ensures easy handling and maneuverability in tight spaces, without compromising on performance or power.
